TOWN WARRANT

STATE OF NEW HAMPSHIRE

To the inhabitants of the Town of Newington in the County of Rockingham and said State, qualified to vote in Town affairs:

You are hereby notified to meet at the Newington Civic Center in said Town on Tuesday, the 14th day of March next at Ten o'clock (a.m.), to act upon the following subjects:

The polls will be open at Ten o'clock (a.m.) and unless extended by vote at the meeting, will close at six o'clock, p.m.

1. To choose in the manner provided by law, one selectman to hold office for three years; a Town Clerk; Ovrseer of the poor; Town treasurer; Highway agent; Collector of taxes; Superintendent of the Water Works; one Library trustee to hold office for the next three years; one Trustee of Trust funds to hold office for three years; Chief of Police.

2. To choose measurers of wood; surveyors of lumber, fence viewers; a pound keeper; constables and all other necessary town officers.

3. To see what action the Town will take for care and maintenance of Town land and buildings.

4. To see if the Town will vote to authorize the Selectmen to administer, or dispose of any real estate acquired or to be acquired by the Town through tax collector's deeds.

5. To see if the Town will vote to authorize the Selectmen to hire money on the credit of the Town in anticipation of taxes, at a rate not to exceed the current bank rate.

6. To hear the report of the Budget Committee and act thereon.

7. To see if the Town will vote to approve the

resolution that town land and any construction on town land shall remain open to all Newington taxpayers.

*8. To see if the Town will vote to discontinue the practice of electing the Chief of Police by popular vote and in its place empower the Selectmen to annually select a Chief of Police and his assistants.

* Put in by 16 voters of Newington.

9. To see if the Town will vote to change the third (3rd) paragraph of Article V, as it appears on page seven (7) of the printed Zoning Ordinances for the Town of Newington, N. H. which reads as follows: "The Civic Center District shall be land owned by or controlled by the State of New Hampshire located at the easterly end of the General Sullivan Bridge, semi-circular in general shape with a radius from the old railroad station of approximately five hundred (500) yards." The said Article to be changed to read as follows: "The Civil Center District shall be land owned by the Town of Newington located northeast of the intersection of Fox Point Road and N. H. route 151 bounded on the north by land of J. Manning Hoyt heirs and heirs of Stillman A. Packard, on the east by land of Granville S. Knox and William E. Caswell, on the south by Fox Point Road and on the west by N. H. route 151."

Also references to "Civic Center District line" in Articles VI and VII in said Zoning Ordinances be changed to read "Land owned by the State of New Hampshire at the easterly end of the General Sullivan Bridge."

10. To see if the Town will vote to

(A) Establish a rate of ten dollars (\$10.00) per grave in the sale of cemetery lots in the extension of the Town Cemetery.

(B) Allow the sale of single graves, one or more per sale, in the section of smaller lots in the central part of the extension which has eight (8) lots approximately seventeen by twenty feet (17' x 20') in size.

C) Keep the extension in conformity with the older part of the Cemetery with regard to the extension of roads and crosswalks.

11. To see if the Town of Newington will vote to establish by ordinance a Housing Code, pursuant to RSA c. 48 (a), and a Board of Housing Appeals thereunder, said Board to consist of three members, namely, the Town Health Officer, the Fire Chief, the Town Building Inspector, said Board and Inspector to work under an ordinance establishing and enforcing minimum standards for use and occupancy of dwellings and requiring the repair, closing or demolition of dwellings unfit for human habitation; said proposed ordinance is expressly incorporated hereto by reference and shall be distributed to citizens of the Town prior to Town Meeting.

TOWN OF NEWINGTON

In the year of our Lord one thousand nine hundred and sixty-one.

AN ORDINANCE Establishing and Enforcing Minimum Standards for Use and Occupancy of Dwellings and Requiring the Repair, Closing or Demolition of Dwellings Unfit for Human Habitation, pursuant to Revised Statutes Annotated, chapter 48 (a).

Whereas, in the Town of Newington, there are, or may in the future be, dwellings which are sub-standard in one or more important features of structure, equipment, maintenance, or occupancy; and

Whereas, such conditions adversely affect public health and safety and lead to the continuation, extension and aggravation of urban blight; and

Whereas, adequate protection of public health, safety and welfare therefore requires the establishment and enforcement of minimum housing standards; now therefore

The Town of Newington ordains as follows:

Section 1. Short Title. This ordinance shall be

known and may be cited as "The Housing Code".

Section 2. Definitions. The following definitions shall apply in the interpretation and enforcement of this ordinance:

(1) "Approved" is in accordance with the provisions of this ordinance or other pertinent ordinances of this Town.

(2) "Basement" is a portion of any dwelling located partly underground, but having less than half its clear floor-to-ceiling height below the average grade of the adjoining ground.

(3) "Cellar" is a portion of any dwelling having half or more than half of its clear floor-to-ceiling height below the average grade of the adjoining ground.

(4) "Town" is the Town of Newington.

(5) "Dwelling" is any building, structure, trailer, mobile-home or camp or part thereof, used and occupied for human habitation or intended to be so used and includes any appurtenances belonging thereto or usually enjoyed therewith.

(6) "Dwelling unit" is a room or group of rooms located within a dwelling and forming a single habitable unit with facilities which are used or intended to be used for living, sleeping, cooking and eating.

(7) "Habitable room" is a room or enclosed floor space used or intended to be used for living, sleeping, or eating purposes, excluding bathrooms, water closet compartments, laundries, foyers, pantries, communicating corridors, stairways, closets, basement recreation rooms, and storage spaces.

(8) "Inspector of Buildings" is the Building Inspector of the Town of Newington.

(9) "Multi-family dwelling" is any dwelling or part thereof containing three or more dwelling units.

(10) "Occupant" is any person including an owner or operator living and sleeping in a dwelling unit or rooming unit.

(11) "Openable area" is the part of a window or door which is available for unobstructed ventilation and which opens directly to the outdoors.

(12) "Operator" is any person having charge, care, management, or control of any dwelling or part of it, in which dwelling units or rooming units are let.

(13) "Owner" is any person who, alone, jointly or severally with others, holds legal or equitable title to any dwelling, rooming house, dwelling unit, or rooming unit.

(14) "Person" is any person, firm, partnership, association, corporation, company or organization of any kind.

(15) "Plumbing" is water-heating facilities, water pipes, garbage disposal units, waste pipes, water closets, sinks, installed dishwashers, lavatories, bathtubs, shower baths, installed clothes - washing machines, catch basins, drains, vents, and other similar supplied fixtures, together with all connections to water or sewer lines.

(16) "Premises" is a lot, plot, or parcel of land including the buildings and structures thereon.

(17) "Rooming House" is any dwelling, or that part thereof containing one or more rooming units, in which space is let to three or more persons.

(18) "Rooming unit" is any room or group of rooms forming a single habitable unit used or intended to be used for living and sleeping, but not for cooking or eating purposes.

(19) "Supplied" is installed, furnished, or provided by the owner or operator at his expense.

(20) "Two-family dwelling" is any dwelling containing two dwelling units.

(21) "Yard" is all ground, lawn, court, walk, driveway or other open space constituting part of the same premises as the dwelling.

Section 3. Minimum Standards for Basic Equipment and Facilities. No person shall occupy as owner-occu-

pant or shall let to another for occupancy any dwelling, rooming house, dwelling unit, or rooming unit which does not comply with the following minimum standards for basic equipment and facilities:

(1) **Dwelling Units.** Every dwelling unit shall contain within its walls:

(a) **Lavatory Facilities.** A room, separate from the habitable rooms, which affords privacy and which is equipped with a flush water closet and a lavatory basin.

(b) **Bathtub or Shower.** A room, separate from the habitable rooms, which affords privacy to a person in the room and which is equipped with a bathtub or shower.

(c) **Kitchen Sink.** A kitchen sink.

(d) **Sharing by Dwelling Units in Same Building.** The occupants of not more than two dwelling units which are located in the same dwelling may share a single flush water closet, a single lavatory basin, and a single bathtub or shower provided:

1. Neither of the two dwelling units contains more than two rooms; however, for the purposes of this subsection, a kitchen with not more than 60 square feet of floor area is not counted as a room;

2. The habitable room area of each of such dwelling units aggregates not more than 250 square feet;

3. The water closet and lavatory basin are within a room, separate from the habitable rooms, which affords privacy and which is accessible to the occupants of each dwelling unit without going through the dwelling unit of another person or outside the dwelling;

4. The bathtub or shower is within a room, separate from the habitable rooms, which af-

fords privacy and which is accessible to the occupants of each dwelling unit without going through the dwelling unit of another person or outside the dwelling.

(2) **Water Line Connections.** Every kitchen sink, lavatory basin, and bathtub or shower required by this ordinance shall be properly connected with both hot and cold water lines. The hot water lines shall be connected with supplied water-heating facilities which are capable of heating water to such a temperature as to permit an adequate amount of water to be drawn at every required kitchen sink, lavatory basin, and tub or shower at a temperature of not less than 120 degrees Fahrenheit even when the heating facilities required by this ordinance are not in operation.

(a) **Plumbing Fixtures.** All plumbing fixtures required by this section shall be properly connected to an approved water system and to an approved sewerage system.

(3) **Rubbish Collection.** Every multi-family dwelling shall have approved common garbage and rubbish storage or disposal facilities.

(4) **Egress.** Every dwelling unit and rooming unit shall have a safe and unobstructed means of egress leading to a safe and open space at ground level, as required by the laws of this state and this town.

(5) **Rooming House — Additional Sanitation Standards.**

(a) **Lavatories.** Every rooming house shall be equipped with at least one flush water closet, one lavatory basin and one bathtub or shower for each six persons or fraction thereof living within the rooming house, including members of the family of the owner or operator if they share the use of facilities. In a rooming house in which rooms are let only to males, flush urinals may be substituted for not more than one-half the required number of water closets. All

such facilities shall be properly connected to approved water and sewerage systems. No such facility located in a basement or cellar shall count in computing the number of facilities required by this subsection except when approved by the Inspector of Buildings. Every flush water closet, flush urinal, lavatory basin, and bathtub or shower required by this subsection shall be located within the rooming house in a room or rooms which: (1) Afford privacy and are separate from the habitable rooms; (2) Are accessible from a common hall and without going outside the rooming house; (3) Are not more than one story removed from the rooming unit for any occupant intended to share the facilities.

(b) **Bedding and Towels.** When bedding, bed linen or towels are supplied, the owner or operator shall maintain the bedding in a clean and sanitary manner, and he shall furnish clean bed linen and towels at least once each week and prior to the letting of any room to any occupant.

Section 4. Ventilation, Light, Heating and Screens. No person shall occupy as owner-occupant or shall let to another for occupancy and dwelling, rooming house, dwelling unit, or rooming unit which does not comply with the following minimum standards for ventilation, light and heating:

(1) **Windows and Openable Space.**

(a) **Total Window Area.** Every habitable room shall have at least one window which faces directly to the outdoors. The minimum total window area, measured between stops, for every habitable room shall be 10 per cent of the floor area of such room. Whenever walls or other portions of structures face a window of any such room and such light-obstruction structures are located less than three feet from the window and extend to a level above that of the ceiling of the room, such a window shall not be deemed to

face directly to the outdoors and shall not be included as contributing to the required minimum total window area. Whenever the only window in a room is a skylight-type window in the top of such room, the total window area of such skylight shall equal at least 15 percent of the total floor area of such room.

(b) **Openable Window Area.** Every habitable room shall have at least one window or skylight which can be easily opened, or such other device as will adequately ventilate the room. The total openable window area in every habitable room shall equal at least 45 per cent of the minimum window area size or the minimum skylight-type window size, as required by this ordinance, except where there is supplied some other device affording adequate ventilation and approved by the Inspector of Buildings.

(c) **Glass-Fronted Porch.** For the purpose of this section, where a living room faces onto a glass-fronted porch, the porch shall be considered as a part of the living room if the total window and open space area between the porch and the living room is at least 15 per cent of the floor area of the living room.

(d) **Bathroom.** Every bathroom and water closet compartment shall comply with the window area and openable area requirements for habitable rooms, except where there is supplied some other device approved by the Inspector of Buildings as affording adequate ventilation.

(e) **Laundry Rooms.** Every laundry room shall have a minimum openable area of at least three square feet except where there is supplied some other device approved by the Inspector of Buildings as affording adequate ventilation.

(f) **Public Halls and Stairways.** Each public hall and stairway in every two-family dwelling, multi-family dwelling and rooming house shall be adequately ventilated.

(2) **Lighting.** Every dwelling within 300 feet of a power line shall be supplied with electricity as follows:

(a) **Habitable Room.** Every habitable room shall contain at least two separate floor or wall-type electric convenience outlets, or one such convenience outlet and one supplied ceiling type electric fixture.

(b) **Bathrooms, Utility Rooms.** Every water closet compartment, bathroom, laundry room and furnace room, shall contain at least one supplied ceiling or wall-type electric light fixture.

(c) **Public Halls.** Every public hall in a dwelling shall contain at least one supplied ceiling or wall-type electric light fixture. Every public hall and stairway in every two-family dwelling, multi-family dwelling and rooming house shall be adequately lighted at all times except that in a two-family dwelling an adequate lighting system which may be turned on when needed by conveniently located light switches shall be permitted instead of a full-time lighting system.

(d) **Standards for Installation.** Every outlet and fixture shall be properly installed and maintained in good and safe working condition. All electrical installations shall be inspected by the Building Inspector.

(3) **Heating.** Every dwelling shall have heating facilities which are capable of safely and adequately heating all habitable rooms, bathrooms, and water closet compartments within its walls to a temperature of at least 70 degrees Fahrenheit when the outside temperature is 10 degrees Fahrenheit.

(a) **Gas Heaters.** Portable heating equipment employing a flame and heating equipment using gasoline or kerosene do not meet the standards of this ordinance and are prohibited.

(4) **Screens.** During the portion of each year extending from May 15th to September 15th and as protection against mosquitoes, flies and other insects, every

door opening directly from a dwelling unit to outdoor space shall be supplied with screens and a self-closing device; and every window or other device with openings to outdoor space used or intended to be used for ventilation shall likewise be supplied with screens. Every basement or cellar window used or intended to be used for ventilation, and every other opening which might provide an entry for rodents, shall be permanently supplied with screens or such other device as will effectively prevent their entrance.

Section 5. Space and Occupancy. No person shall occupy or shall let to another for occupancy any dwelling, rooming house, dwelling unit, or rooming unit which does not comply with the following minimum standards for space and occupancy:

(1) **Habitable Floor Area.** Every dwelling unit shall contain at least 150 square feet of habitable floor area for the first occupant, and at least 100 square feet for each additional occupant.

(a) **Exception for Children Under 1 Year of Age.**

For the purposes of the section, a person under one year of age shall not be counted as an occupant.

(2) **Sleeping Rooms.** In every dwelling unit and in every rooming unit, every room occupied for sleeping purposes by one occupant shall contain at least 70 square feet of floor area, and every room occupied for sleeping purposes by more than one occupant shall contain at least 50 square feet of floor area for each occupant.

(3) **Arrangement of Sleeping Room, Bathroom.** No dwelling or dwelling unit containing two or more sleeping rooms shall have such room arrangements that access to a bathroom or water closet compartment intended for use by occupants of more than one sleeping room can be had only by going through another sleeping room, nor shall room arrangements be such that access to a sleeping room can be had only by going through

another sleeping room or a bathroom or water closet compartment.

(4) **Calculation of Floor Area.** Floor area shall be calculated on the basis of habitable room area. However, closet area and hall area within the dwelling unit, where provided, may count for not more than 10 per cent of the required habitable floor area. At least 85 per cent of the floor area of a sleeping room, and at least one-half of the floor area of all other habitable rooms shall have a ceiling height of at least 7 feet 6 inches; and the floor area of any part of any room where the ceiling height is less than five feet shall not be considered as part of the floor area in computing the total floor area of the room to determine maximum permissible occupancy.

(5) **Cellars.** No cellar shall be used for living purposes.

(6) **Basements.** No basement shall be used for living purposes unless:

(a) The floors and walls are substantially watertight.

(b) The total window area, total openable area and ceiling height are in accordance with this ordinance.

(c) The required minimum window area of every habitable room is entirely above the grade of the ground adjoining such window area, not including stairwells or access ways.

Section 6. Safe and Sanitary Maintenance of Structural Elements. No person shall occupy as owner-occupant or shall let to another for occupancy any dwelling, rooming house, dwelling unit, or rooming unit which does not comply with the following minimum standards for safe and sanitary maintenance.

(1) **Foundations, Exterior Walls and Roofs.** Every foundation, exterior wall and exterior roof shall be substantially weathertight, watertight, and rodent

proof; shall be kept in sound condition and good repair; and shall be safe to use and capable of supporting the load which normal use may cause to be placed thereon.

(2) **Floors, Interior Walls and Ceilings.** Every floor, interior wall and ceiling shall be substantially rodent proof; shall be kept in sound condition and good repair; and shall be safe to use and capable of supporting the load which normal use may cause to be placed thereon.

(3) **Windows and Exterior Doors.** Every window, exterior door and basement or cellar door and hatchway shall be substantially weathertight, watertight and rodent proof; and shall be kept in sound working condition and good repair.

(4) **Stairways and Porches.** Every inside and outside stair, porch, and any appurtenance thereto shall be safe to use and capable of supporting the load that normal use may cause to be placed thereon; and shall be kept in sound condition and good repair.

(5) **Plumbing Fixtures.** Every plumbing fixture shall be properly installed and maintained in sound mechanical condition, free from defects, leaks, and obstructions and shall be inspected by the Building Inspector.

(6) **Bathroom Floor Surfaces.** Every water closet compartment floor surface and bathroom floor surface shall be constructed and maintained so as to be substantially impervious to water and so as to permit such floor to be easily kept in a clean and sanitary condition.

(7) **Maintenance of Required Equipment and Utilities.** Every supplied facility, piece of equipment or utility, which is required under this ordinance, and every chimney and smokepipe shall be so constructed and installed that it will function safely and effectively, and shall be maintained in sound working condition.

Section 7. Substandard Conditions of Structural Elements. Any dwelling which has any or all of the

following defects of structural elements shall be deemed unfit for human habitation:

(1) Interior Walls and Vertical Structural Members.

Any dwelling whose interior walls or other vertical members list, lean or buckle to such an extent that a plumb line passing through the center of gravity falls outside of the middle third of its base shall be deemed unfit for human habitation.

(2) Supporting members and Non-Supporting Walls.

Any dwelling which, exclusive of the foundation, shows 33 per cent or more of damage or deterioration of the supporting member or members, or 50 per cent of damage or deterioration of the non-supporting enclosing or outside walls or covering shall be deemed unfit for human habitation.

(3) Floor and Roof Loads. Any dwelling which has improperly distributed loads upon the floors or roofs or in which the same are overloaded, or which have insufficient strength to be reasonably safe for the purpose used shall be deemed unfit for human habitation.

(4) Damage by Fire, Wind or Other Causes. Any dwelling which has been damaged by fire, wind or other causes so as to have become dangerous to life, morals, safety or the general health and welfare of the occupants or the people of the Town of Newington shall be deemed unfit for human habitation.

Section 8. Substandard Conditions Generally. Any dwelling which has any or all of the following general substandard conditions shall be deemed unfit for human habitation:

(1) Dilapidated, Decayed, Unsafe or Unsanitary.

Any dwelling which has become or is so dilapidated, decayed, unsafe, unsanitary, or which utterly fails to provide the amenities essential to decent living, or which is likely to cause sickness or disease, so as to work injury to the health, morals, safety, or general

welfare of those living therein shall be deemed unfit for human habitation.

(2) **Inadequate Light, Air and Sanitation.** Any dwelling having light, air, and sanitation facilities which are inadequate to protect the health, morals, safety or general welfare of human beings who live or may live therein shall be deemed unfit for human habitation.

(3) **Inadequate Egress.** Any dwelling having inadequate facilities for egress in case of fire or panic or those having insufficient stairways, elevators, fire escapes, or other means of communication shall be deemed unfit for human habitation.

(4) **Insecure Parts.** Any dwelling which has parts thereof which are so attached that they may fall and injure members of the public or property shall be deemed unfit for human habitation.

(5) **Unsafe, Unsanitary or Dangerous to Public.** Any dwelling which because of its condition is unsafe, unsanitary, or dangerous to the health, morals, safety or general welfare of the people of this town shall be deemed unfit for human habitation.

(6) **Violation of Ordinances.** Any dwelling existing in violation of any provision of the Building Code of this Town or other ordinances of this Town shall be deemed unfit for human habitation.

Section 9. Cooking Equipment. No owner, operator or occupant shall furnish or use any cooking equipment which does not comply with the following minimum standards:

(1) **Construction, Installation and Maintenance.** Every piece of cooking equipment shall be so constructed and installed that it will function safely and effectively and shall be maintained in sound working condition.

(2) **Prohibited Equipment.** Portable cooking equipment employing flame and cooking equipment using

gasoline or kerosene as fuel for cooking are prohibited.

Section 10. Responsibilities of Owners, Operators and Occupants.

(1) Sanitation.

(a) **Cleanliness by Occupant.** Every occupant of a dwelling, dwelling unit or rooming unit shall maintain in a clean and sanitary condition that part of the dwelling, dwelling unit and yard which he occupies and controls; and shall be responsible for his own misuse of areas and facilities available in common.

(b) **Cleanliness by Owner or Operator.** Every owner or operator of a two-family dwelling, multi-family dwelling or rooming house shall maintain in a clean and sanitary condition the shared or public areas of the dwelling and yard.

(c) **Use and Operation of Supplied Facilities.** Every occupant of a dwelling unit shall keep all supplied facilities, including plumbing fixtures and cooking equipment, in a clean and sanitary condition and shall be responsible for the exercise of reasonable care in their proper use and operation.

(2) Removal of Waste Matter.

(a) **Storage and Disposal of Rubbish and Garbage.** Every occupant of a dwelling unit shall dispose of all rubbish, ashes, garbage, and other organic waste in a clean and sanitary manner by placing it in approved storage or disposal facilities which are safe and sanitary. Every occupant shall provide such facilities for and within his dwelling unit; and shall maintain them in a clean and sanitary manner. The owner or operator of a multi-family dwelling shall be responsible for the clean and sanitary maintenance of common storage or disposal facilities. He shall be responsible further for placing out for collection all common garbage and refuse containers, except where such facilities are for the sole use of an occupant, under which circumstances it shall be the responsi-

bility of the occupant to place these containers out for collection.

(b) **Rooming House Rubbish Storage and Disposal.** Every owner or operator of every rooming house shall dispose of all rubbish in a clean and sanitary manner by placing it in supplied and approved storage or disposal facilities which are safe and sanitary.

(3) **Extermination.**

(a) **Extermination of Pests by Occupant.** Every occupant of a dwelling unit shall be responsible for the extermination of any insects, rodents or other pests in it or in the yard. In a two-family dwelling or a multi-family dwelling the occupant shall be responsible for such extermination whenever his dwelling unit is the only one infested.

(b) **Exception.** When, however, infestation is caused by failure of the owner or operator to maintain a dwelling in a rodent-proof or substantially insect-proof condition, extermination shall be the responsibility of the owner or operator.

(c) **Extermination of Pests by Owner or Operator.** Every owner or operator shall be responsible for extermination of any insects, rodents or other pests whenever infestation exists in two or more of the dwelling units of any dwelling or in the shared or public areas of any two-family dwelling or any multi-family dwelling.

(d) **Extermination of Pests in Rooming Houses.** Every owner or operator of a rooming house shall be responsible for the extermination of any insects, rodents or other pests in it or in the yard.

(4) **Heat.** During the time of the year when it is necessary, as determined by the Inspector of Buildings, every owner or operator of every two-family dwelling, multi-family dwelling and rooming house shall supply adequate heat to every habitable room therein except where there are separate heating facilities for each

dwelling unit, whose facilities are under the sole control of the occupant of such dwelling unit.

(5) **Utilities.** No owner, operator or occupant shall cause any service equipment or utility which is required by this ordinance to be removed, shut off or discontinued for any occupied dwelling let or occupied by him, except for such temporary interruption as may be necessary while actual repairs or alterations are in process, or during temporary emergencies.

(6) **Janitorial Service.** Every dwelling of five or more dwelling units in which the owner or operator does not reside shall have a janitor as found necessary by the Inspector of Buildings.

(7) **Transfer of Responsibility.** A contract effective as between owner and operator, operator and occupant or owner and occupant, with regard to compliance hereunder shall not relieve any part of his direct responsibility under this ordinance.

(8) **Notice of Maximum Occupancy.** Every owner or operator shall advise the occupant in writing either by insertion in the lease between the parties or otherwise of the maximum number of occupants permitted in the occupied premises under this ordinance.

Section 11. Standards for Repair, Vacation and Closing, or Demolition or Removal. The following standards shall be followed in substance by the Inspector of Buildings and the Board of Housing Appeals in ordering repair, vacation and closing, or demolition or removal:

(1) **Repair.** If a dwelling deemed unfit for human habitation can reasonably be repaired so that it will no longer exist in violation of the terms of this ordinance it shall be ordered repaired.

(2) **Vacation and Closing.** If a dwelling deemed unfit for human habitation is in such condition as to make it dangerous to the health, morals, safety or gen-

eral welfare of its occupants it shall be ordered to be vacated and closed.

(3) **Demolition or Removal.** In any case where a dwelling deemed unfit for human habitation is 50 per cent damaged or decayed, or deteriorated from its original value or structure, it shall be demolished or removed, and in all cases where a dwelling cannot be repaired so that it will no longer exist in violation of the terms of this ordinance, it shall be demolished or removed. In all cases where a dwelling unfit for human habitation is a fire hazard existing or erected in violation of the terms of this ordinance or any ordinance of the Town or statute of the State of New Hampshire, it shall be demolished or removed. For the purposes of this ordinance, removal of a dwelling unfit for human habitation shall mean removal from the Town of Newington.

Section 12. Dwellings Unfit for Human Habitation—Nuisances. All dwellings deemed unfit for human habitation within the terms of Sections 7 and 8 of this ordinance are hereby declared to be public nuisances, and shall be repaired, vacated and closed, or demolished or removed as hereinbefore and hereinafter provided.

Section 13. Inspection of Dwellings, Rooming Houses, Dwelling Units, Rooming Units, and Premises.

(1) **Inspection by Inspector of Buildings.** The Inspector of Buildings is hereby authorized and directed to make inspections to determine the condition of dwellings, rooming houses, dwelling units, rooming units, and premises located within this Town of Newington, in order that he may perform his duty of safeguarding the health, safety and general welfare of the occupants of dwellings and of the general public.

(2) **Access by Inspector of Buildings.** In order to carry out the purpose and provisions of this ordinance, the Inspector of Buildings is hereby authorized to enter, examine, and survey at all reasonable times and in an

emergency at any time all dwellings, rooming houses, dwelling units, rooming units, and premises. The owner or occupant of every dwelling, rooming house, dwelling unit, and rooming unit, or the person in charge thereof, shall give the Inspector of Buildings free access to such dwelling, rooming house, dwelling unit, or rooming unit and its premises, at all reasonable times and in an emergency at any time for the purpose of such inspection, examination, and survey.

(3) **Access by Owner or Operator.** Every occupant of a dwelling, rooming house, dwelling unit, or rooming unit shall give the owner or operator thereof, or his agent or employee, access to any part of such dwelling, rooming house, dwelling unit, or rooming unit, or its premises, at all reasonable times for the purpose of making such repairs or alterations as are necessary to effect compliance with the provisions of this ordinance or with any lawful notice or order issued pursuant to the provisions of this ordinance.

Section 14. Enforcement.

(1) **Service of Notices.** Whenever the Inspector of Buildings determines that there are reasonable grounds to believe that there has been a violation of any provision of this ordinance, he shall give notice of such alleged violation to the person or persons responsible therefor, as hereinafter provided. Such notice shall:

- (a) Be in writing;
- (b) Include a statement of the reasons why it is being issued;
- (c) Allow a reasonable time for the performance of any act it requires;
- (d) Be served upon the owner, every mortgagee of record, or the operator, or the occupant, as the case may require; provided that such notice shall be properly served upon such owner, or upon such mortgagee of record, or upon such operator, or upon such occupant, if a copy thereof is delivered to him person-

ally or if not found by leaving a copy thereof at his usual place of abode; or in the event that the person to be served resides outside the city, if a copy thereof is sent to him by registered or certified mail, postage prepaid, accompanied by a request for a return receipt; or in the event there are any unascertained persons with interest, notice shall be given them by publication in a newspaper having a general circulation in the town.

Such notice may:

(e) Contain an outline or remedial action which, if taken, will effect compliance with the provisions of this ordinance.

(2) **Hearings.** Any person affected by any notice which has been issued in connection with the enforcement of any provision of this ordinance may request and shall be granted a hearing on the matter before the Board of Housing Appeals; provided that such person shall file with the Board of Housing Appeals a written petition requesting such hearing and setting forth a brief statement of the grounds therefor within 10 days after the day the notice was served. Upon receipt of such petition, the Board of Housing Appeals shall set a time and place for such hearing and shall give the petitioner written notice thereof. At such hearing the petitioner shall be given an opportunity to be heard and to show why such notice should be modified or withdrawn. The hearing shall be commenced not less than 10 days nor more than 30 days after the day on which the petition was filed.

(3) **Board of Housing Appeals to Sustain, Modify and Withdraw Notices.** After such hearing the Board of Housing Appeals shall sustain, modify or withdraw the notice, depending upon its finding as to whether the provisions of this ordinance have been complied with. If the Board of Housing Appeals sustains or modifies such notice, it shall be deemed to be an order,

and the owner, operator or occupant, as the case may require, shall comply with all provisions of such order within a reasonable period of time, as determined by said board. Any notice served pursuant to Subsection 14 (1) of this ordinance shall automatically become an order if a written petition for a hearing is not filed with the Board of Housing Appeals within 10 days after such notice is served.

(4) **Record.** The proceedings of such hearing, including the findings and decision of the Board of Housing Appeals, shall be summarized, reduced to writing, and entered as a matter of public record in the office of the Inspector of Buildings. Such record shall also include a copy of every notice or order issued in connection with the matter. A copy of the written decision of the Board of Housing Appeals shall then be served, in the manner prescribed under Subsection 14 (1) (d) of this ordinance, on the person who filed the petition for hearing.

(5) **Review by the Board of Selectmen.** Any owner aggrieved by an order of the Board of Housing Appeals made pursuant to Section 14 (3) of this ordinance may seek relief therefrom from the Board of Selectmen as provided by Revised Statutes Annotated, c. 48 (a) of the laws of the State of New Hampshire.

(6) **Issuance of Order When Emergency Exists.** Whenever the Inspector of Buildings finds that an emergency exists which requires immediate action to protect the life or safety of any person unless a dwelling unfit for human habitation as defined herein is immediately repaired, vacated or demolished, he shall report such facts to the Board of Housing Appeals and the board may, without notice of hearing, issue an order reciting the existence of such an emergency and requiring that such action be taken as it deems necessary to meet the emergency. Notwithstanding the other provisions of this ordinance, such order shall be effective

immediately. Any person to whom such order is directed shall comply therewith immediately, but upon petition to the Board of Housing Appeals shall be afforded a hearing as soon as possible. After such hearing, depending upon its finding as to whether the provisions of this ordinance have been complied with, the Board of Housing Appeals shall continue such order in effect, or modify it, or revoke it.

(7) Rules and Regulations. The Inspector of Buildings is hereby authorized to make and adopt such written rules and regulations as may be necessary for the proper enforcement of the provisions of this ordinance; provided that such rules and regulations shall not be in conflict with the provisions of this ordinance. The Inspector shall file a certified copy of all rules and regulations which he may adopt in the office of the Town Clerk. Such rules and regulations shall have the same force and effect as the provisions of this ordinance and the penalty for violation thereof shall be the same as the penalty for violation of the provisions of this ordinance.

(8) Placarding of Dwelling, Rooming House, Dwelling Unit or Rooming Unit Determined Unfit for Human Habitation.

After the notice which required under the provisions of Subsection 14 (1) has resulted in an order in accordance with the provisions of Subsection 14 (3), the Inspector of Buildings shall placard the affected dwelling, rooming house, dwelling unit or rooming unit as unfit for human habitation. The Inspector of Buildings shall post, in a conspicuous place or places upon the affected dwelling, rooming house, dwelling unit, or rooming unit, a placard or placards bearing the following words: "Condemned as Unfit for Human Habitation".

(9) Vacation of Dwelling, Rooming House, Dwelling

Unit or Rooming Unit Determined Unfit for Human Habitation.

Any dwelling, rooming house, dwelling unit, or rooming unit which has been determined unfit for human habitation and which has been placarded as such by the Inspector of Buildings shall be vacated within a reasonable time as required by said Inspector. No owner or operator shall let to any person for human habitation and no person shall occupy any dwelling, rooming house, dwelling unit, or rooming unit which has been determined unfit for human habitation and which has been placarded by the Inspector of Buildings after the date which said Inspector has required the affected dwelling, rooming house, dwelling unit, or rooming unit to be vacated.

10) Placard Not to be Removed Until Defects Eliminated. No dwelling, rooming house, dwelling unit, or rooming unit which has been determined unfit for human habitation and which has been placarded as such shall again be used for human habitation until written approval is secured from, and such placard is removed by, the Inspector of Buildings. The Inspector of Buildings shall remove such placard whenever the defect or defects upon which the determination of unfitness for human habitation and placarding action were based have been eliminated.

(11) Placard to be Removed only by Inspector of Buildings. No person shall deface or remove the placard from any dwelling, rooming house, dwelling unit, or rooming unit which has been determined unfit for human habitation and placarded as such, except as provided in Subsection 14 (10).

Section 15. Rooming House.

No person shall operate a rooming house, or shall occupy or let to another for occupancy any rooming unit in any rooming house, except in compliance with the provisions of every section of this ordinance.

(1) **Rooming House Permit.** No person shall operate a rooming house unless he holds a valid rooming house permit issued by the Inspector of Buildings in the name of the operator and for the specific dwelling, dwelling unit, rooming house or rooming unit. The operator shall apply to the Inspector of Buildings for such permit, which shall be issued by the Inspector of Buildings upon compliance by the operator with the applicable provisions of this ordinance. This permit shall be displayed in a conspicuous place within the rooming house, at all times. No such permit shall be transferable. Every person holding such permit shall give notice in writing to the Inspector of Buildings within 24 hours after having sold, transferred, given away, or otherwise disposed of ownership of, interest in, or control of any rooming house. Such notice shall include the name and address of the person succeeding to the ownership or control of such rooming house. Every rooming house permit shall expire at the end of one year following its date of issuance, unless sooner suspended or revoked as hereinafter provided.

(2) **Hearing on Denial of Rooming House Permit.** Any person whose application for a permit to operate a rooming house has been denied may request and shall be granted a hearing on the matter before the Board of Housing Appeals, under the procedure provided by Section 14 of this ordinance.

(3) **Rooming House Inspection.** Whenever upon inspection of any rooming house the Inspector of Buildings finds that conditions or practices exist which are in violation of any provision of this ordinance, the Inspector of Buildings shall give notice in writing to the operator of such rooming house that unless such conditions or practices are corrected within a reasonable period, to be determined by the Inspector of Buildings, the operator's rooming house permit will be suspended. At the end of such period the Inspector of Buildings

shall reinspect such rooming house, and if he finds that such conditions or practices have not been corrected, he shall give notice in writing to the operator that the latter's permit has been suspended. Upon receipt of notice of suspension, such operator shall immediately cease operation of such rooming house, and no person shall occupy for sleeping or living purposes any rooming unit therein.

(4) Suspension of Rooming House Permit; Hearing. Any person whose permit to operate a rooming house has been suspended, or who has received notice from the Inspector of Buildings that his permit is to be suspended unless existing conditions or practices at his rooming house are corrected, may request and shall be granted a hearing on the matter before the Board of Housing Appeals under the procedure provided by Section 14 of this ordinance. Provided that if no petition for such hearing is filed within 10 days following the day on which such permit was suspended, such permit shall be deemed to have been automatically revoked.

(5) Hotels and Motels. Every provision of this ordinance which applies to rooming houses shall also apply to hotels and motels, except to the extent that any such provision may be found in conflict with the statutes of this state or with the lawful regulations of any state board of agency.

Section 17. Exceptions. Notwithstanding any other provision of this ordinance, no dwelling shall be determined to be unfit for human habitation under the provisions of this ordinance if it meets the usual requirements of laws and customs which were in effect at the time it was built, and it is maintained in reasonably good repair and condition by current standards and its condition is not such as to endanger the public health or safety; and it is further provided that notwithstanding any other provision of this ordinance, no dwelling shall be determined to be unfit for human habitation under the provisions of this ordinance if it

were originally built by, for, or on behalf of the United States government, or any agency thereof, and if it is presently maintained in reasonable good repair and condition by current standards.

Section 18. Board of Housing Appeals. There is hereby created and established a Board of Housing Appeals, which shall consist of three members, namely, the Health Officer, the Fire Chief, and the Inspector of Buildings. The Health Officer shall be chairman of said board. The duties of the chairman are to preside over hearings and to administer affirmations; the chairman may vote on all matters. In the absence of the chairman, the board shall elect an acting-chairman from its membership who shall assume the responsibility of the chairman. The rules of evidence prevailing in courts of law or equity shall not be controlling in hearings before the board. The Inspector of Buildings shall serve as the permanent secretary of the board. The board shall adopt such rules and regulations as it may deem necessary to carry into effect its functions and the provisions of this ordinance. The board shall meet on the call of the chairman. The board shall hear appeals in open meetings. The presence of two members, not including the Inspector of Buildings, shall constitute a quorum and the concurring vote of two such members shall be necessary to modify or withdraw any notice of the Inspector of Buildings.

Section 19. Complaints Upon Petition of Citizens.

In addition to the manner of institution of proceedings under this ordinance as heretofore outlined, the citizens of the Town shall have the right to institute complaints by petition with the Board of Housing Appeals. Such petition must be signed by at least 10 residents of the Town charging that a particular dwelling is unfit for human habitation or that other conditions contrary to this code exists. When such petition is filed, investigation and action shall follow in the manner heretofore prescribed.

Section 20. Penalties. Any person who shall violate any provision of this ordinance shall upon conviction be punished by a fine not exceeding twenty dollars for each offense; and each day's failure to comply with any such provision shall constitute a separate violation.

Section 21. Conflict of Ordinances. This ordinance shall not interfere with or annul any ordinance, rule regulation or permit, provided that, unless specifically excepted, where this ordinance is more stringent it shall control.

Section 22. Invalidity. The invalidity of any section or provision of this ordinance shall not invalidate any other section or provision thereof.

Section 23. Take Effect. This ordinance shall take effect upon its passage.

12. To hear the report of the Town Clerk on the results of the election of Town Officers.

13. To transact such other business as may legally come before the meeting.

Given under our hand and seal this sixteenth day of February in the year of our Lord, one thousand nine hundred and sixty one.

We hereby certify that on the Sixteenth day of February 1961, we posted a true and attested copy of the within Warrant at the place of meeting within specified and a like copy at the Meeting House, a public place in Town, and delivered the original to the Town Clerk.

REPORT
of an examination and audit
of the accounts
of the
TOWN OF NEWINGTON
made by
THE DIVISION OF MUNICIPAL ACCOUNTING
STATE TAX COMMISSION
October 25-27, 1960

**DIVISION OF MUNICIPAL ACCOUNTING
STATE TAX COMMISSION
Concord, New Hampshire**

SUMMARY OF FINDINGS AND RECOMMENDATIONS

November 10, 1960

Board of Selectmen
Newington, New Hampshire
Gentlemen:

Submitted herewith is the report of an examination and audit of the accounts of the Town of Newington which was made by this Division, acting under authority of Chapter 71, Section 27, of the Revised Statutes Annotated, which provides in part as follows:

“Audit on Motion of Commission. The (Tax) Commission may cause an audit to be made of the accounts of any city, town, school district, village district or precinct, as often as once in two years, or whenever conditions appear to it to warrant such audit. . . .”

This audit covered the fiscal year ended December 31, 1959, and the period from January 1st to September 30th, 1960. Exhibits as hereafter listed are included as part of the report. Also included is a Statistical Table presenting a Ten Year Statement of Indebtedness, Valuation and Taxes.

SCOPE OF AUDIT

Included in the examination and audit were the accounts and records of the Board of Selectmen, Treasurer, Tax Collector, Town Clerk, Library and Trustees of Trust Funds.

FINANCIAL STATEMENTS

Comparative Balance Sheets: Dec. 31, 1958 - Dec. 31, 1959
(Exhibit A-1)

Comparative Balance Sheets as of December 31, 1958 and December 31, 1959, are presented in Exhibit A-1. As indicated therein the Net Debt decreased by \$14,813.59 in 1959.

Analysis of Change in Financial Condition
(Exhibit A-2)

An analysis of the change in financial condition of the Town during the year is made in Exhibit A-2, with the factors which caused the change indicated therein. These were as follows:

Decrease In Net Debt	
Long Term Notes Paid	\$12,000.00
Net Budget Surplus	7,313.59
	<hr/>
	\$19,313.59

Increase in Net Debt	
Cash Surplus Used to Reduce Tax Rate	\$4,500.00
	<hr/>
Net Decrease	\$14,813.59

Comparative Statements of Appropriations and Expenditures

Estimated and Actual Revenues

(Exhibits A-3 & A-4)

Comparative statements of appropriations and expenditures, estimated and actual revenues for the fiscal year ended December 31, 1959, are presented in Exhibits A-3 and A-4. As indicated by the budget summary (Exhibit A-4), a net unexpended balance of appropriations of \$3,283.13, plus a revenue surplus of \$4,030.46, resulted in a net budget surplus of \$7,313.59.

Summary Statement of Receipts and Expenditures

(Exhibit B-1)

A summary statement of receipts and expenditures for the fiscal year ended December 31, 1959, made up in accordance with the uniform classification of accounts, is included in Exhibit B-1. Proof of the Treasurer's balance as of September 30th, 1960, is indicated in Exhibit H.

Statement of Long Term Indebtedness

(Exhibit F)

A statement of outstanding long term indebtedness as of December 31, 1959, showing annual debt service requirements, is contained in Exhibit F.

GENERAL COMMENTS

Indebtedness, Valuation and Taxes:

Table I presents a Ten Year Statement of Indebtedness, Valuation and Taxes. It will be noted that during the period from December 31, 1949 to December 31, 1959, the financial condition of the Town changed from a Surplus of \$3,236.89 to a Net Debt of \$25,198.54.

During the same period the assessed valuation of taxable property increased from \$1,109,793.00 to \$3,840,098.00 or 246%. The amount of the annual tax levy increased from \$29,409.00 to \$96,002.00, or 226%.

The local tax rate decreased from \$2.65 to \$2.50 per hundred, compared to the average rate for the State which increased from \$4.31 to \$5.37 during this period.

Current Surplus:

It is noted that the current surplus (excess of total assets over current liabilities) increased by \$2,813.59, from \$7,987.87 to \$10,801.46, during 1959 as shown herewith:

	December 31, 1958	December 31, 1959
Total Assets	\$28,260.70	\$32,972.65
Current Liabilities	20,272.83	22,171.19
Current Surplus	\$ 7,987.87	\$10,801.46
Town Clerk's Cash Book:		

The Town Clerk should adopt the use of the regular prescribed form of Town Clerk's Cash Book. Each motor vehicle permit and dog license issued should be entered therein, thus providing a permanent record of these transactions.

Conclusion:

The provisions of Chapter 184 of the Laws of 1955, require that this report or the summary of findings and recommendations (letter of transmittal) shall be published in the next annual report of the Town.

We extend our thanks to the officials of the Town of Newington for their assistance during the course of the audit.

Yours very truly,

Harold G. Fowler, Director

1960 REPORT OF THE LANGDON FREE PUBLIC LIBRARY

This has been an active year at Langdon Library. Our special project of a new lighting system has been accomplished, and it has made a marked improvement in the function of the library. After this installation, the painting of the ceiling and walls could no longer be postponed.

It is a pleasure to report that the book circulation has increased, and there is a growing awareness among the townspeople of the resources and opportunities at the library. In addition to our own purchases, the Bookmobile brings a complete change of 150 to 200 books every eight weeks. With the current price of books this service adds a variety of books which could not have been purchased. It has also furnished special exhibits of approximately 25 books on such subjects as: "How To Do It," "Today's Parents," "Science for Children" and various home projects. The Bookmobile supplied a book collection for the benefit of the residents of South Newington at the home of Mrs. Edna Garland. Books for specific research, or interest beyond our resources may be obtained from the State Library by one way postage payment. Consult the librarian for further particulars.

One hundred primers and first grade readers have been added to our shelves, a splendid gift from Mrs. Margaret Pickering. These books are in constant use, and have enriched and enlivened the children's section.

An up-to-date collection of vocational and career material is available at the library. This should be of interest to the teen-age group.

National Library Week was well observed under the

chairmanship of Mrs. Lydia Hall, who chose her own committee to plan the entire program. For one week the library was open every day or evening, and the attendance and cooperation of many of the townspeople resulted in closer contacts with the library. Introducing the events was the fine talk by Mr. William F. Mott on Hon. Woodbury Langdon, the benefactor of our library. Paintings and handicrafts by local talent received special attention, as did the hobby exhibits. The committee worked hard, and to one and all who gave of their time and active interest the Trustees extend their appreciation.

The continuance of showing films for the children was harder to arrange this year with the school no longer a near neighbor, but thanks to the cooperation of the School Board, the Superintendent and the Teachers, they are presently shown every two weeks, and definitely strengthening the bond between the children and the library. The films are furnished free of charge by the State Library. Since the relocation of the school the 12 o'clock opening has been omitted.

In June, the resignation of our fine librarian, Mrs. Cecelia Bullock was accepted with sincere regret. With her training and previous library experience, Mrs. Bullock did much to build up the use and character of the library. Her long range planning and efficient use of the library facilities brought distinction to Newington in library circles. We were loath to let her go.

Mrs. Marjorie Pickering who had previously satisfactorily substituted as librarian took over the duties with an enthusiasm for books and library work. She has real interest in providing the right or requested book for library patrons. Attendance at the Summer Session of the State Library Commission at U.N.H. added to her ability and understanding of library func-

tions, and has further stimulated her interest in helping our young folks.

The Wednesday evening programs in the summer were limited this year due to the discouraging lack of attendance. Our thanks to Dr. John N. Feaster for his reminiscences of authors he has known, a timely subject as invited guests from the Library Session at U.N.H. attended that evening. Thanks, also, to our good friend, Mr. Joseph W. P. Frost who always alerts interest in the value of personal and town papers. (The evening was interrupted by bees from the fireplace!) It was disappointing that our own Frederick Pickering was unable to meet with us and relate local history and stories of old Newington.

Mrs. Margaret Pickering received for the Library a plaque from the N.E.R.I. Association in recognition of the maintenance of the grounds.

Langdon Library was represented at the neighborhood meeting in Exeter and the State Library meeting in Concord.

Query: Does anyone have pictures, letters, clippings or mementoes of the Civil War Period which could be loaned to the library?

Our thanks again to our loyal friends, Warren Witham and Nat Coleman.

Respectfully submitted,

FLORENCE C. WATSON

REPORT OF POLICE DEPARTMENT FOR THE YEAR OF 1960

The Newington Police Department wishes to report to the Taxpayers of the Town of Newington of their activities for the year of 1960.

The Department has answered a total of 249 calls in the Town and travelled a total of 10,237 miles and worked a total of 1,020 hours. We have given out a total of 189 warnings for Motor Vehicle Violations, and for persons hunting in the Town of Newington.

We have covered 32 Accidents in the Town. We have investigated 15 calls for Breaking and Entering, and have been able to close all cases. We have had in Portsmouth Courts, 14 Arrests for Motor Vehicle Violations, 2 for Breaking and Entering the Portsmouth Tire Co. on Gosling Road, 5 for damage to a camp that burned down on November 11, 1960.

We have been called to investigate a fatal at the New England Tank Farm, and for a fatal at the General Sullivan Bridge by a Drowning. We have been called on 5 Ambulance cases at no cost to the Town. This is a free service by the Police Department to all townspeople at no cost to the people or the Town.

We have received from the Commissioner of Motor Vehicles our seventh consecutive Motor Vehicle Citation for our part in Highway safety.

We have increased our Budget by \$20.00. This is based on the work done in the past year and hope that the townspeople will see fit to pass this for the year of 1961.

We wish to thank the people of the Town for their help in the past year and hope that it can continue.

I wish to thank all the members of the Police Department for their unselfish work and the outstanding job well done during the year of 1960.

Respectfully submitted,

WILLIAM A. LaBONTE,
Chief of Police

POLICE DEPARTMENT BUDGET

For the Year of 1961

This is a copy of the work done in the year of 1960 and as given to the Board of Selectmen.

189	Warnings for all Violations in the Town.	
249	Calls in the Town.	
2	Fatals, one man crushed at Tank Farm, one drowning.

REPORT OF THE PLANNING BOARD

Under the leadership of member Ralph N. Sawyer, the members of the Planning Board finished laying out the lots, walkways and drives in the extension of the Cemetery. We hope the layout meets with the Town's approval. The only expense was for stakes and markers.

The Board is submitting via an article in the Warrant, proposals for regulations regarding sale of lots.

The Board is also requesting the Town via a Warrant Article to make a change in Article V in the Zoning Regulations and, if adopted, corrections in Articles VI and VII.

The corrections in the Zoning Regulations require a vote of the Town and as soon as they are voted the Board will be able to have new Zoning Regulations printed.

The survey of Town boundaries on Patterson's Lane was not completed.

Respectfully submitted,

PERCY E. deROCHEMONT,
Chairman

GRANVILLE S. KNOX,
Secretary

NEWINGTON VOLUNTEER FIRE DEPARTMENT ANNUAL REPORT

During the past year your Fire Department has been called upon to answer 22 emergency calls. Of these 22 calls we had only one total loss fire, which was a cottage down on the river, and which was a delayed alarm; that is, it wasn't discovered until the building was enveloped in fire. The damage was so minor in our other emergency calls in the Town of Newington, there was no need of reports being made out to the State Fire Marshal's office.

We had one fire brought to us, in the way of an automobile which drove in to the open air theater one night. We responded and put out the fire in the upholstery, with an estimated loss of only \$75.00 to the automobile.

We received assistance from three outside departments during the past year. One night we had a considerable grass and woodlands fire going in the Bay Road area and it appeared to be getting out of control. We called for assistance and received a truck from Pease Air Base and one was dispatched from Dover, which we were able to turn back by radio when we found we did not need it. Portsmouth sent a truck out to put out two small fires on Gosling Road which had been called in to their station and we did not have to respond. It's nice to have neighbors standing ready and willing to help us like this at any time. We wish to take this opportunity to thank the area fire departments for the assistance they have given us.

We had a group of firemen travel to Fitzwilliam, N. H., in the month of September to take a course in fire fighting given at the Meadow Wood Drill Yard. After

successfully completing the course, these men all received a certificate of training issued by the Fire Chiefs Club of New Hampshire and signed by the New Hampshire Fire Marshal and a representative of the New Hampshire Board of Education. The men receiving the certificates this past year are Donald Beals, Andy Anderson, Larry Volz and myself.

The Newington Fire Department has been very active in promoting a State Fire Fighters Training Program. We have made a careful study of many programs throughout the country and have appealed to various organizations to support a fire fighters training program. It has finally been resolved that it is necessary to go to the State Legislature in order to get the necessary funds to carry out a program whereby a local fire fighter will receive instruction in his own fire station from a qualified instructor who will be trained at the University of New Hampshire.

Our apparatus and equipment are in very good condition. Our radio equipment was brought up to date last year. We purchased all items included in our budget.

This year the only capital item in our budget is for 500 feet of 2½-inch fire hose. We have a yearly program going on replacement of our hose, so as to be sure to have spare loads for our trucks any time they might go out and use all the hose on the truck. We hope to have dry hose in the station ready to put right on a truck when it comes back from a fire. In this way our trucks can be put back into service immediately after a fire.

The Fire Department has had a training program for its personnel this past year and has conducted surprise drills. It also took part in the fire prevention program and has cooperated with Civil Defense in any tests they

have had. The alarm system has been tested each Saturday at noon.

The Fire Department telephone number is GENEVA 6-5737. THIS NUMBER IS TO BE USED ONLY FOR REPORTING A FIRE.

FOREST FIRE WARDEN'S REPORT

Carelessness, HUMAN CARELESSNESS, causes 9 out of 10 forest fires. Each year 200,000 fires burn over 30 million acres in the United States. This represents 5 percent of our nation's woodlands being wasted each year. Every fire takes its toll. Floods follow; stream flow is affected; timber, buildings, grazing and wildlife are destroyed — all because MANY are CARELESS with fire in and near woodland. This can be remedied. YOU can put an end to this shameful waste! PREVENTION is YOUR business!

YOU, whether YOU be a farmer, homemaker, business or professional man or woman, municipal, state or federal official, clerk or woodsman can play an important part in the continuing and vital prevention program.

First — by setting a good example YOURSELF — being sensible and complying with the necessary laws and regulations governing the use of fire in and near woodlands.

Second — by using YOUR individual influence in your community and valued council with others in insisting and encouraging them to do likewise.

The following simple rules may be used as a guide both for YOU and for them.

1. Before burning, secure a permit from your local forest fire warden — the law requires it.
2. Be sure to properly supervise your burning — don't leave it.
3. Make certain your fire, camp or debris, is DEAD OUT before leaving it.
4. Don't throw down lighted matches, cigars and

cigarettes or from moving vehicles — make sure they are out — use your ash tray.

5. Don't burn at home — use your town dump and save yourself much possible difficulty, both personal and financial.

SCHOOL WARRANT

THE STATE OF NEW HAMPSHIRE

To the Inhabitants of the School District in the Town of Newington qualified to vote in district affairs:

You are hereby notified to meet at the Civic Center in said district on the Fourteenth day of March 1961, at 9:15 o'clock in the evening to act upon the following subjects:

1. To choose a Moderator for the coming year.
2. To choose a Clerk for the ensuing year.
3. To choose a Member of the School Board for the ensuing three years.
4. To choose a Treasurer for the ensuing year.
5. To determine and appoint the salaries of the School Board and Truant Officer, and fix the compensation of any other officers or agent of the district.
6. To hear the reports of Agents, Auditors, Committees, or Officers chosen, and pass any vote relating thereto.
7. To choose Agents, Auditors and Committees in any subject embraced in this warrant.
8. To see what sum of money the district will raise and appropriate for the support of schools, for the salaries of school district officials and agents, and for the payment of statutory obligations of the district, and to authorize the application against said appropriation of such sums as are estimated to be received from the state foundation aid fund together with other income; the school board to certify to the selectmen the balance

between the estimated revenue and the appropriation, which balance is to be raised by taxes by the town.

9. To see if the district will authorize the school board to make application for and to receive in the name of the district, such advances, grants-in-aid or other funds for educational purposes as may now or hereafter be forthcoming from the Federal Works Agency, or other U. S. Government or State Agencies.

Given under our hands at said Newington this twentieth day of February 1961.

STILLMAN A. PACKARD (Board of Selectmen)

REPORT OF THE SCHOOL COMMITTEE

1960-61

The Newington School Board, for the first time in many years, is in a position to report a normal and uneventful year. The finalization of our building, in the early part of the year, relaxed the years of pressure and discouragements that accompanied the program. The fact that our transportation was provided for by a three year contract last year eliminated an annual problem for us this year, and the appointment of Mr. Ernest Kaddy as custodian of the Town's Properties has provided us with excellent janitorial and upkeep services.

The end result has been a harmonious year in which we have been able to expend our time in planned improvements such as the final grading and landscaping of our building, the organization and layout of our recreational facilities which include our skating rink, sliding and coasting, playground equipment, and our eventual ball field, all of which we hope to complete in the near future. We will conclude our year with the purchase of a television as a tool for a broader education. The funds for this were available from the National Defense Act funds. This will permit us to take advantage of the many educational and special programs transmitted via channels 2 and 11 for specific use in our schools.

The School Board is deeply indebted to our Superintendent, Mr. Robert Brunelle, and also to our teachers, Mrs. Margaret Pickering, grades 1 and 2; Mrs. Evelyn Salisbury, grades 3 and 4; and to our Teaching Principal, Mr. Merle Eggert, grades 5 and 6, for their continued excellent teachings and the successful administration of the school.

Mrs. Hazel Kingsley is our music teacher one day a week. We are grateful for the extra work she has done in preparing programs involving all the children, including the Christmas Pageant.

Mrs. Marjorie Moore, school nurse, has again indicated her genuine interest in the health and physical welfare of our children by her exemplary services, and her efforts are sincerely appreciated.

The P.T.A. has the gratitude of the School Board for their furnishing of the Nurse's-Teachers room. The furniture is functional and handsome and represents much effort of the part of the P.T.A. who raised the money. Special thanks should be given to Mrs. Edith Knox for the time she voluntarily gave in making the drapes for the Office and the Teachers Room.

The introduction of Ceramics the past year has proven of interest to the children and we appreciate the instructions of Mrs. Louise Young for her guidance each week.

The School Board meets, in open meetings, on the third Friday of each month at 7:30 P.M. at the School House. Parents and citizens are cordially invited to attend at any time.

REPORT OF THE SUPERINTENDENT OF SCHOOLS

To the School Board and Citizens of Newington:

The year of 1960 will go down in the Annals of the Town of Newington as the year in which a new school, modern and functional, was turned over to the school children of the community. This building, surrounded by well-kept lawns, with proper parking and drive facilities, is a complete school plant.

I am going to take the opportunity, early in this report, to personally commend Mr. Ralph Sawyer, Building Committee Chairman, and all other members of the committee for "a job well done". The hours of devoted interest in the planning and supervision of the entire project are a credit to all the individuals on the committee and to the people of Newington.

The School Staff: The teaching staff for this school year is a veteran one. The school is indeed fortunate that all teachers returned for this school year.

Mr. Merle Eggert, the Principal and teacher of the fifth and sixth grades, has continued to exert the type of leadership and control necessary for progress. He is operating a good school.

Mrs. Evelyn L. Salisbury, the third and fourth grade teacher, is a fine teacher. Her work continues to be a definite asset to the school.

Mrs. Margaret Pickering, the first and second grade teacher, continues to carry on an excellent school program for her students. This fine lady, with her intimate knowledge of the community, is a valuable member of the teaching staff.

The Curriculum: Fundamentals, as I reported to you

last year, are the basis of our educational program. One cannot build a house without a foundation—in a like manner, one cannot progress in school without a good foundation in reading, writing and arithmetic.

In addition to the fundamentals, our curriculum includes related areas to round out and enrich the fundamental program of studies.

1. The children visit, as a part of their school program, the Town Library on a regularly scheduled basis. The objectives here are to stimulate outside reading and teach a youngster how to use a library to good advantage.

2. This year we have a trained music teacher one-half day per week. This person has developed a unified program aimed at introducing music appreciation and some fundamental knowledge of scales and notes. This teacher, Mrs. Hazel Kingsley, has also aided the teachers in preparing special programs for Christmas, etc.

3. Ceramics is a part of the school program for the first time. The children have been very enthusiastic about this program, under the direction of Mrs. Louise Young, which combines art form, a new media and a sense of accomplishment into a fine over-all addition to the curriculum.

It is hoped that in the future a part time art teacher can be secured to further enrich the school program.

Budget: The proposed budget increased a total of \$2,849.81 over last year. The reasons for this increase are as follows:

1. Superintendent's office—Salary increases and the addition of an executive assistant to free the Superintendent from paper work and financial detail.

2. Teacher salaries have been increased. The com-

petition for good teachers is very keen; you must maintain a position of equality with surrounding areas to retain or attract competent teachers.

3. Fuel costs have been a bit higher than first anticipated, so an adjustment was made in this figure.

4. Tuition has increased for two reasons—more pupils attending grades 7-12; higher tuition charges for each pupil attending grades 7-12.

The new school building is more than a school. The teen-age young people have used and will continue to use the facilities available to them at the school. Basketball as a recreational activity is now an actuality. This is as it should be and I predict that all age groups will benefit from and make use of the building. It is possible to organize a complete recreational program for the community year-round, using the school building as the focal point of all activity.

I wish to thank the Teachers, the Parent-Teachers Association, the School Transporter, and all other individuals who have contributed to the success of this past year.

In closing I wish to single out the members of the School Board for their devotion to the youth of Newington. It has been my privilege to work with these fine people.

Respectfully submitted,

ROBERT L. BRUNELLE,

Superintendent of Schools
